

PHONE SYSTEM SUPPORT AGREEMENT

THIS AGREEMENT is made and entered into on this ____ day of _____ 20____, by and between _____. ("Customer"), a corporation of _____ whose billing address is _____ and CTIntegrators, Inc. ("CTI"), a corporation of Virginia, whose address is; 14900 Conference Center Drive, Chantilly, Virginia 20151.

WHEREAS, the Customer is desirous of purchasing Support and Maintenance for their in-house Phone systems, (Wave IP, Elevate or TeleVantage) including all Hardware and Communications software for use in connection with its business practice at the above address, and

WHEREAS, CTI is an Authorized Reseller, certified to support these phone systems and which represents that it is capable of, and agreeable to, providing Customer with Hardware and Software Support and Maintenance, including training Customers' personnel in use and maintenance of the System.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the parties do hereby agree as follows:

Scope:

This Phone System Support Agreement may be used in all areas of on-site, remote access and telephone support except custom programming and script writing, which require a separate agreement. The cost of hardware and equipment needed for repairs will be charged as needed unless equipment is under current CTI or manufacturer warranty or separate Hardware Replacement Agreement is in force.

Work is to be done by CTIntegrators and its' authorized personnel. Work may include all or part of the following services: Consulting with firms management and personnel to determine requirements; installation and maintenance of recommended hardware and software, basic software support and user support, evaluation of available resource material to select possible solutions, testing or demonstration of vendor products and solutions, aid in the selection process, creation of working prototypes and model systems to improve evaluation accuracy, recruitment of outside expertise as necessary to complete the automation strategy, and if needed, documentation of all evidence found.

Maintenance Period:

Services and Support are provided according to this Agreement during the Principle Period of Maintenance (PPM). The PPM for CTIntegrators is Monday thru Friday 8:30am - 6:00pm excluding federally recognize holidays. Each on-site Support call incurs a minimum one hour deduction from this Agreement and 30 minute increments thereafter. Each telephone support call incurs a minimum 30 minute charge and is deducted in 15 minute increments thereafter. Remote access support is deducted in 30 minute increments. On-site service rendered outside the PPM incurs a \$150 surcharge against the first hour. Windows and Manufacturer updates will be applied after 6:00PM weekdays or before noon on Weekends with additional charges. Firm's management must pre-approve system scheduled down time.

As part of this Agreement, CTI will at a minimum provide a Quarterly review of the Phone System, reviewing System Logs for possible errors, install Windows Updates and Security Patches and applicable Manufacturer Updates.

Response Time:

CTIntegrators recognizes that phone system uptime is crucial to any deployment. As such, CTI provides the following response times: Acknowledgment to a request for support by telephone within two (2) hours. For non-emergency support such as a request for training or system modifications, within two (2) days, (or as scheduled). For non-critical support where system operation may be compromised, next business day or as scheduled. For emergency support where system is not operational, a technician will be dispatched within four (4) hours. Under this emergency repair clause CTIntegrators will use its "best efforts" to return system to operational status within twelve (12) business hours.

Loaner Equipment:

CTIntegrators maintains emergency replacement parts and backup Phone systems for most models we support. As part of this agreement, should your phone system fail and CTI is unable to make effective repairs, CTI will provide a similar backup system and transfer existing data to the loaner equipment if possible and available.

Limits of Liability:

To the maximum extent permitted by law, Customer agrees to limit the Consultant's liability for the Customers' damages so that the total aggregate liability of the Consultant to the Customer shall not exceed \$ 5,000, or the Consultant's total fee for services rendered on this project, whichever is greater. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.
